New Church at South Dansville

We learn by a letter from Rev. T. H. Tabor, that the Universalist Society at South Dansville, N.Y., have made arrangements for the erection of a new church. Its dimensions are to be 34 feet by 50, and it is to be completed by the 1st of October next. It gives us pleasure to learn that our cause is steadily on the advance in Steuben county, and that our ministers there are greatly encouraged at the hopeful prospects before them. Br. Tabor remains at South Dansville another year.
